Register to be added to the Standby list for classes that are already full for Winter2023/2024. Participants registered will not be called and participants will need to come in person to see if there is space in the class. This does not guarantee you a spot in the class and participants will not be admitted once class is at capacity. Rosters for classes will be printed and updated every Monday at 8:30am. If you register after this time, it's recommended that you begin participating the following week to ensure your name will be on the updated roster.
